Achieve your life's goals with our tailored wealth solutions and dedicated service.

At RBC PH&N Investment Counsel, we're committed to helping you simplify your life so that you can focus on what matters most to you. We offer you a personalized approach that frees you from the daily details of managing your wealth.

When you work with us, you experience the attentive, personal service associated with an investment boutique combined with the stability and strength of a global financial leader.

Investment counselling is the next level of investment management, offering you exclusive services to help grow and preserve your wealth. Simplify your life by delegating your investment decisions to a dedicated investment counsellor.

Your investment counsellor works with you to understand your unique, personal circumstances and investment preferences. They also consider your specific financial goals, risk tolerance and ongoing needs to create a plan that guides the day-to-day management of your customized portfolio.

At RBC PH&N Investment Counsel, our team of over 100 highly qualified investment professionals located in offices nationwide.
